“Knockri enabled us to go fully remote in our hiring process & the candidate experience improved significantly. The employees hired through Knockri have exceeded our previous benchmarks in quality of work.”

Director of Global Recruitment & Learning

THE SOLUTION

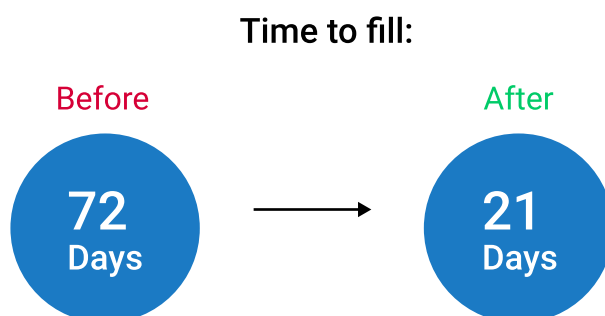

Knockri offered an asynchronous remote skills assessment to modernize the company's talent acquisition process. Knockri helped transform the candidate experience by delivering customized video & written assessments that resulted in a higher NPS score.

Our skills assessment tool helped them shortlist top candidates, eliminate unsuccessful interviews, and enabled them to spend more quality time, with the most promising talent.

THE IMPACT

Knockri's remote hiring solution opened up the company to a global talent pool. The Education company saw an increase in quality of hire by 34% in comparison to the previous year. The candidate experience (NPS score) was improved by 25% and the company found a reduction in time to fill, by 69%.
